Re: 2026/27 Membership Dues

Membership Dues for the 2026/27 council year are now open and due by **November 30, 2026**. Dues, which are an **annual fee of \$150** per non-profit provider agency (annual fee of \$200 per for-profit agency), help fund our key initiatives, including:

- * The Annual Family Support Fair
- * The Legislative Town Hall
- * Advocacy Efforts
- * Website/Virtual Platform Upkeep & Maintenance

Your participation is crucial, as these funds allow us to connect families and caregivers with vital services, advocate for our community's needs, and ensure the intellectual and developmental disability (IDD) population remains a priority in conversations across Brooklyn and New York City.

Membership Benefits

By paying dues and fulfilling our participation requirements, your agency receives several benefits:

- * Website listing: Your agency's name and website will be listed and linked on bkddcouncil.org.
- * Priority in mailing list distribution for announcements and events from your agency.
- * Event discounts: Get discounted rates for BKDDC events.
- * Voting rights: Paid agencies that attend at least three meetings between September and June receive one vote in officer elections.
- * Committee participation: Join, attend, and present at various committees.

Thank you for your continued support and dedication to the Brooklyn Developmental Disabilities Council.

Payment Info:

Payable To: EveryoneNY, Inc.

Memo: 2026/27 BKDDC Dues
